

Dear Youth (Patient),

To help us understand your position on entering into therapy and/or participating in an assessment, please complete the following form to the best of your ability.

What do you think is your biggest problem(s) you might need to work on in therapy and/or why you should undergo testing? I want to work on controlling my anxiety and emotions and help slow down my mind.

Do you think therapy can help you? Please explain. Yes, because I think it can help give me tools to control my emotions.

Do you think an evaluation can help you? Please explain. Yes, because I want to understand why I am the way I am and why I do things a certain way.

How do you get along with your family? I get along well with my family

How do you do socially? Do you have friends? What do you do for fun with your friends? I get along well with my friends but have a low social battery a lot finding it hard to do things with friends

How do you do in school? I do ok, sometimes I get so stressed I breakdown and its hard to complete assignments and tests.

Do you get along with teachers and classmates? yes

Do you think you do a good job dealing with stress? What do you do to cope with stress? I think I have a really hard time dealing with stress often breaking down.

Please indicate if you experience the following symptoms and provide applicable explanation.
